INFORMATION DISCLOSURE STATEMENT

Sir:

Applicant submits this communication in compliance with 37 C.F.R. §§1.56, 1.97 and 1.98. Favorable consideration of the documents cited on the attached Form PTO/SB/08A is respectfully requested.

The referenced application is the U.S. national stage application of international application no. PCT/CN2005/000178, filed February 6, 2005 (the "PCT application"). The documents cited on attached Form PTO/SB/08A were cited in the International Search Report ("Search Report", Form PCT/ISA/210) which was issued by the Chinese Patent Office on November 7, 2005 in connection with the PCT application.

Two of the four patents documents cited in the Search Report are in the Chinese language. Accordingly, Applicant listed the corresponding U.S. family members of these two Chinese-language documents on Form PTO/SB/08A.

The Search Report indicates that all four documents cited therein are category "A" documents, which indicates that these documents belong to the state of the art and are not considered to be of particular relevance.

Copies of Cited U.S. Patent Documents are Not Provided

As announced in the Official Gazette of August 5, 2003, the requirement under 37 CFR 1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and each U.S. patent application publication for all U.S. national patent applications filed after June 30, 2003 and for all international applications that have entered the national stage under 35 USC 371 after June 30, 2003 has been waived.

Accordingly, copies of the U.S. patents and/or published patent applications cited on the attached Form PTO/SB/08A are not provided with this Information Disclosure Statement.

Time of Transmittal of Information Disclosure Statement

This Information Disclosure Statement is being filed under 37 C.F.R. §1.97(b)(2) concurrently with a new national stage patent application and, therefore, no fee should be due. However, if any fee is required, the Assistant Commissioner is authorized to charge such fee to Deposit Account No. 23-1703.

Dated: Mar. 22, 2006

Respectfully submitted,

Andrew Fessak
